

Soundabout

using music to unlock the potential of young people with severe disabilities

Volunteers Needed

Soundabout is a charity using music and sound to help severely disabled children, young people and adults learn, have fun and communicate with the world around them. We are looking for volunteers to help with our music festivals and family weekend sessions as well as with office administration.

We are based at Thomley Barn just outside Worminghall.

Do you enjoy:

Singing or playing an instrument?

Making people feel welcome and looked after?

Working with children and young people?

Using your office skills?

If so come and join our group of volunteers. You would be helping with a worthwhile local cause and be working in a lovely environment as part of a small and friendly team.

If you would be interested in finding out more about any of these activities please get in touch on 01844 338898 or email info@soundabout.org.uk

Training and on-going support will be given and travel expenses paid and refreshments provided.
