

CELEBRATE WITH Soundabout

Your Birthday Party

Thank you for exploring Soundabout Birthday Parties to help make your loved one's birthday celebrations inclusive and fun. This birthday package is aimed at people of all ages who love music and have special educational needs, including people with profound and multiple learning disabilities. Please read on for more detailed information about our Birthday Package.

Price: Each birthday package costs £200, this is the total cost and includes all the items listed below. If you would like to choose Soundabout for your birthday celebration but the cost is a barrier please contact the team on info@soundabout.org.uk to discuss options. N.B. As a charity, all income goes back into Soundabout to support our projects.

The Package Includes:

- One of our specialist Music Practitioners delivering a one-hour music making session tailored to your choice of theme via zoom.
- A special short video recording of a personalised birthday song of your choice that will be sent to you as a 'keepsake'.
- An electronic invitation template that you can personalise and send out to friends and family.
- The option of a social media post of your birthday song, to let all the Soundabout community know about your family member's special day.

The Format: Birthday music-making sessions can only be offered online via your Zoom account. It is done this way so that you can control who enters the room and you will have the option of then recording the session should you choose to. You can invite as many people as you would like but we recommend that around a maximum of 8 participants with SEN means that everyone can have extra special attention.

CELEBRATE WITH soundabout

What to Expect: You will be put in contact with your Soundabout practitioner beforehand to talk through any theme you would like, talk through the guest list and any special favourite things to make sure we include in the session.

The music-making itself will be a fun-interactive group session led by Soundabout, there will be playful, sound-based songs and music and of course the big finale of a happy birthday song. If you've ever attended a Soundabout session before, you will know what to expect, if you are new to Soundabout, please check out our past sessions on our YouTube page to give you an idea of what we do <https://www.youtube.com/c/Soundabout/videos>

Our practitioners will be able to see the party guests so will be able to respond personally to them to make this as interactive and inclusive as possible. You will be responsible for ensuring that your guests have the link and means of accessing the session.

Bookings and Cancellations: If you are interested in booking a birthday party please contact the team at info@soundabout.org.uk, we will then start looking at dates and the availability of our practitioners. Please note, all attempts will be made to find someone on your preferred date but this cannot be guaranteed.

Any cancellations made by you before two-weeks of the event will be fully refundable. Any cancellation made by you within-two weeks of the event, there will be a £75 charge. If any unforeseen circumstances occur and Soundabout has to cancel the event, no charge will be made and an alternative date will be offered, Soundabout will not be liable for any other losses if we cancel a session at any time before the event takes place.

Next Steps: If you would like to talk to us about dates and bookings or have any questions at all, please don't hesitate to contact the team at: info@soundabout.org.uk
